GEODIS recognized as Core Carrier of Arkema China in Asia-Pacific

At the 2021 Arkema China Carrier Annual Conference held in Shanghai, China, GEODIS received the award of “Core Carrier of Arkema China”. The Annual Conference is held by Arkema to acknowledge and celebrate the company’s accomplishments in 2020, as well as to brainstorm ideas for future developments and innovative solutions in 2021.

In ensuring operational optimization in the customer’s supply chain, GEODIS APAC Regional President and CEO, Onno Boots said, “GEODIS is proud to be a partner of Arkema. This award is an important recognition and a key milestone for GEODIS moving forward in 2021.”

GEODIS currently manages the customs clearances for Arkema’s general cargo, as well as pre-carriage and on-carriage. Besides working with its nominated transport suppliers in optimizing its supply chain, GEODIS actively partners with Arkema to ensure the effective management of these dedicated supplier’s performance, including the responsibility of the adherence to agreed standards via an auditing process.

Among ongoing projects in 2021 GEODIS is participating in a FCL¹ freight sourcing exercise for non-core destinations. This is estimated to encompass 1000TEUs of export volume in the Asia-Pacific region.

GEODIS – www.geodis.com
