GEODIS Announces Management Board Appointment

GEODIS, a world leader in transport and logistics, announced today the appointment of Eric Gerbi as Executive Vice President of GEODIS' Global Freight Forwarding line of business. Eric Gerbi will also serve as a member of the Group's Executive Board, which is chaired by Marie-Christine Lombard, Chief Executive Officer of GEODIS.

Eric Gerbi began his career in the banking sector at BNP Paribas before joining Deloitte in 2006 as a financial auditor. In 2008, he joined Saint-Gobain as a management controller.

He joined GEODIS in 2011 as Financial Controller for the Americas region. In 2014, he was appointed Chief Financial Officer for the Supply Chain Optimization (SCO) line of business. In 2018, in addition to his role as CFO, he expanded his responsibilities by becoming Deputy EVP of SCO. In this role, he oversaw human resources, IT, customer solutions, and key account management. In October 2021, he was appointed EVP of the SCO division at GEODIS. Since 2024, he has served as Chief Financial Officer of the Global Freight Forwarding line of business.

Eric Gerbi holds an engineering degree from École des Mines de Nancy and a specialized master's degree in international finance from HEC business school.

GEODIS – www.geodis.com

GEODIS is a leading global logistics provider acknowledged for its expertise across all aspects of the supply chain. As a growth partner to its clients, GEODIS specializes in four lines of business: Global Freight Forwarding, Global Contract Logistics, Distribution & Express Transport, and European Road Network. The Group operates a global network spanning nearly 170 countries and 50,000 employees. In 2024, GEODIS generated €11.3 billion in revenue. GEODIS is a company owned by SNCF group.
