GEODIS publishes its Activity & Sustainability Report

GEODIS announces the publication of its 2025 Activity and Sustainability Report.

As a key reference document for the Group, this report provides a detailed overview of GEODIS' strategy, performance, commitments and long-term ambitions.

Intended for both clients and partners as well as the Group's employees, it allows readers to discover the main results achieved in 2025, GEODIS's major commitments, and concrete initiatives carried out in the field.

For this edition, a 16-page summary, "The Digest," is also available for readers who wish to have a quick overview.

Both publications are now available in French and English on the GEODIS website:
