## **GEODIS wins Best Logistics Service Provider – Project Cargo at the 2023 AFLAS Awards**

**GEODIS, a global leader in the transport and logistics sector, received the award for Best Logistics Service Provider – Project Cargo, at the 2023 Asian Freight, Logistics and Supply Chain (AFLAS) Awards hosted by Asia Cargo News, held in Singapore on 28<sup>th</sup> September.**

GEODIS has expertise across core markets, including Renewable Energy, Oil & Gas, Power, Rail, Mining, Infrastructure, Aid & Relief and Marine Logistics, with a network of dedicated projects teams in 35 countries and pioneers initiatives in transporting such key infrastructure such as high voltage transformers, wind and solar energy projects.

“GEODIS maintains adaptability and innovation at the forefront of our customer-centric strategy. We have made notable investments in our infrastructure and logistical capabilities to ensure flexible and bespoke logistics solutions for complex projects. We are honored to have our efforts recognized and will continue to keep growing and incorporating cutting-edge engineering to meet our clients’ unique requirements,” said GEODIS APAC and Middle East Regional President and CEO, Onno Boots.

The annual Asian Freight, Logistics and Supply Chain (AFLAS) Awards are designed to honor leading service providers including air and shipping lines; airports and seaports; and logistics, 3PLs and other associated industry professionals for demonstrating leadership as well as consistency in service quality, innovation, customer-relationship management and reliability.
